RoHS Compliance Statement

P-tec Corporation hereby declares that all P-tec products are in compliance with the directives of the RoHS (Restriction of Hazardous Substances) Directive 2011/65/EU and its subsequent amendments.

These products have been tested or have been determined to be compliant based on information provided by our suppliers. They do not contain the restricted substances (lead, mercury, cadmium, hexavalent chromium, polybrominated biphenyls, polybrominated diphenyl ethers, DEHP, BBP, DBP, and DIBP) in concentrations exceeding the maximum allowed limits.

This statement is made to the best of our knowledge and is based on the information available to us at the time of its release.

Issued on: November 14, 2023

Authorized Signature: Marc Schaer

Marc Schaer, CEO

Please note that this statement is subject to change without notice and may be revised to reflect new regulatory requirements or changes in our product composition.
